## SHOES

Students are expected to have the appropriate shoes for each class. SHOES FOR PICTURES & RECITAL MUST BE THE EXACT STYLES & COLORS WE HAVE SELECTED IN ORDER FOR DANCER TO PERFORM. All students will need to have their required shoes by January 7th, 2019. This gives the dancer time to "break in" the shoe before pictures and recital, not to mention lessen stress caused by procrastination for both your family and our teachers! We have a great setup on [www.discountdance.com](http://www.discountdance.com) where you can go directly to our studio's class lists and purchase all of the correct shoes and other dance attire. On the main page select 'Dance Teacher Program' in the upper right-hand corner. Enter '101952' in the students search box and it should take you right to our list where you can select your class and see everything we have recommended for you. ## STUDIO RULES & CONDUCT

-Be on time. Everyone should be on time to allow for proper stretching and conditioning. If for some reason you are late and miss the warm-up, please stretch out quickly and thoroughly on your own time before joining with the class.

-Parents, please allow your student to enter the dance room alone. Young dancers may want to bring in mom/dad, but once this happens. It tends to become habitual and causes a great distraction to the class & the teacher. Dance class is a terrific way to instill confidence & independence in little ones, so please allow teachers & assistants to handle these situations. The education of a child must be a cooperative venture between parents and their instructors.

-Clean up after yourself. Please correctly dispose of any trash and put magazines, books, etc. back where they were found. This is YOUR dance studio, so please do your part of taking care of it in order to keep it looking nice.
